

Censored Expressions Media

AI Content Disclosure

Censored Expressions may use AI tools to assist with research, drafting, editing, summarization, headline analysis, article memory, content organization, optimization checks, media workflows, and multimedia creation.

AI-assisted content should be reviewed for accuracy, clarity, relevance, and alignment with Censored Expressions editorial standards when feasible.

AI may help identify patterns across news coverage, but editorial judgment, values, accountability, and publishing decisions remain part of the Censored Expressions workflow.

AI-generated or AI-assisted material may contain errors, omissions, outdated context, or imperfect summaries, so important claims should be independently verified.

This document is provided as a public website policy record for Censored Expressions Media.
